## REPORT ON OFFICER'S DUTIES IN REGARDS TO THE PRESIDENT'S MURDER K. L. ANDERTON - £1506

At about 12:00 noon on November 22, 1963, I was at my home at 709 Julia Lane, Garland, Texas, watching televidion. I saw a special news bulletin that the President of the United States had been shot during a motorcede in Pellas. I was on vacction from work on this day; however, I got ready to come tack to work. I received a telephone cell from it. Wells to come to work. Whem I got to work, Capt. Frite had Lee Harrey Gwald and other people in his office.

My partner, J. P. Adamcik, was out with other detectives, so I stayed around the office to help transport Onceld through the hellway to the elevator, and to answer the telephones. I set in Cept. Frita's office with Detectives R. M. Size and M. O. Ball with Lee Harvey Cevald for about an hour during the evening of November 22. While we were in the office with Oscald, we talked to him about his life in Russia. He talked freely stout the living and working conditions in Russia, but would not talk about his family. I left the office for home between 1:30 MY and 2:00 MY, November 23, 1953.

I came to work at about 3:00 PM, November 23, 1963. At about 5:00 PM I took on affidavit of Fact from James Richard Worrell, Jr., w/a/20, 13510 Winterhaws, CM 7-2376, a student at Thomas Jeffereon High School. James Worrell stated to me that at the time of the shooting of President J. F. Konnedy, he was watching the motorcade from the corner of Elm and Houston Streets. We said he was standing under the window where the chots were fired from and that he was looking at the rifle tarrel when the second shot was fired. James Worrell said he got scared and ram down Houston Street to Pacific Street. When he stopped for breath, he stated he was on the North side of the Texas School Book Depository Dulkding and he saw a man run out of the building in a southerly

direction. He said when he got home and saw pictures of Lee Harvey Oswald in the newspapers and on television, he recognized him as the man he saw run from the building.

I stayed in the office answering the telephone until I left for home at about 1:00 AM, November 2h, 1963.
